

Fun meetings at 1800 m above sea level

And, in Arosa, no less!

Our fog-free, sunny mountain climate opens up the mind to new, creative ideas. Just two hours from Zurich you will find the ideal conditions for holding a meeting in a highly positive atmosphere – adding an extra dimension to the "joint experience" of a conference. And all this thanks to the special holiday flair and the many different kinds of adventure that Arosa has to offer as a meeting venue between December and April.

Our two conference rooms are ideal for a typical "Excelsior meeting with snow and sun" for 8 – 20 participants. Both rooms have daylight, but possibilities to darken the room as well as plugs, internet access, phone- and fax connection (ISDN).

Seating possibilities and capacities

measures

Weisshorn

boardroom seating	20 people	length	9 m
U-shaped seating	16 people	width	4.5/5.5 m
